10. Do not bring any food, candy, chewing gum, soda, ipad, ipod, phone cell, or anything else subject to dispute or possible theft.

CONTRACT

I, the undersigned, agree to follow these rules set out by the staff members (counsellors, activity Leaders or director of the *Base de Plein Air*).

I accept and will comply with the proposed schedule, be present at designated meeting times and not venture off on my own, causing people to worry and thus ruining the atmosphere.

I will respect the rules concerning meal times, activities and bedtimes. Free time will be spent outdoors, not in my room. I will remain in the room assigned to me upon arrival at camp.

Under no circumstances will I go to the lakeshore or in the lake without the supervision of a staff member.

If I do not respect the camper code of conduct during my stay, camp administrators have the right to send me home at my parents' expense.

I have read and agree to abide by the clauses set out in this contract.
